CHUCK GRAY

Wyoming Secretary of State

This Apostille only certifies the authenticity of the signature and the capacity of the person who has signed the public document, and, where appropriate, the identity of the seal or stamp which the public official bears.

This Apostille does not certify the content of the document for which it was issued.

This Apostille is not valid for use anywhere within the United States of America, its territories, or possessions.

To verify the issuance of this Apostille, call (307) 777-7370 or email apostilles@wyo.gov.

This certificate constitutes an Apostille under the *Hague Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents* only if the Convention is in force between the United States and the country where it is to be presented.

If not an Apostille, the certificate remains subject to applicable additional authentication requirements.

Email: compliance@wyo.gov

2. The developer or seller did not market the token to the initial buyer as a financial investment, as defined in W.S. 34-29-106(g)(v).

☒ Yes
☐ No

Stipent (STPN) is presented solely as a functional utility token, not as a security or investment.

3. At least one (1) of the following subparagraphs is satisfied:

a. The developer or seller reasonably believed that it sold the token to the initial buyer for a consumptive purpose.

☒ Yes
☐ No

Stipent (STPN) is distributed for participation in internships, DAO activities, verified skill contributions, and talent engagement services.

b. The token has a consumptive purpose that is available at or near the time of sale and can be used at or near the time of sale for a consumptive purpose.

☒ Yes
☐ No

Stipent (STPN) is already usable within the Internset network for credential authentication through Docuper, escrow-based task fulfillment via Compenset, and

c. The initial buyer of the token is prohibited by the developer or seller of the token from reselling the token until the token is available to be used for a consumptive purpose.

☐ Yes
☒ No

There is no contractual prohibition on resale. Since Stipent (STPN) had immediate consumptive utility at launch, a resale restriction was not needed.

d. The developer or seller takes other reasonable precautions to prevent an initial buyer from purchasing the token as a financial investment.

☒ Yes
☐ No

Public documents include explicit disclaimers clarifying that Stipent (STPN) is not intended for investment or speculation.

I hereby certify that the above information is correct and this Blockchain Token is in compliance with the requirements of W.S. 34-29-106.
